Dear Parents/Carers,

## Ofsted Report 2015

On behalf of the Governing Body I am pleased to enclose the Inspection Report from our recent Ofsted Inspection.

As you will see from the report Whitwell Primary School has been classified as a GOOD school across all five categories used by the inspection team in arriving at their conclusions. The Governing Body is delighted that the report reflects significant progress by the school since the last Ofsted inspection in 2012.

This significant progress reflects the hard work and commitment of all of the staff at the school and they are to be praised and commended for their dedication to the children of Whitwell Primary School.

The Governing Body would also like to commend the achievements of the new Senior Leadership Team since its formation this academic year.

Finally, we would also like to commend the children whose hard work and thirst for learning are reflected in this positive report.

We look forward, as a Governing Body, to continuing to work with the team in moving Whitwell Primary School towards becoming an 'Outstanding' school in the future.

Yours Sincerely,

Tom Munro
